

JABIL WUXI

**ONE-STOP ENGINEERING
MANUFACTURING SOLUTION IN
EAST CHINA**

JABIL

Jabil's Wuxi site began as a high-volume printer partner in 2006. The site has since evolved into a center of excellence for engineering and manufacturing of High-Mix Low-Volume and Low-Mix High-Volume products. Wuxi adds value to customers beginning with PCBA to full integration services with Built-to-Order and Configure-to-Order models for customers in the Telecommunications, Industrial & Energy, Computing & Storage, Printing and Mobility sectors.

As the first Jabil Lean factory, Wuxi has an average of two improvement ideas from each employee.

Wuxi Location

Jabil's site in Wuxi is located in the Export Processing Zone of Wuxi, the city famous for being one of the birthplaces of China's modern industry and commerce.

Being in the center of the Yangtze River Delta and the largest concentration of adjacent metropolitan areas in the world, Jabil Wuxi provides world-class engineering and manufacturing services to customers in China and overseas.
