

# DieCut Production Methods

Jabil Diecut Production Services solve complex technology issues for some of the world's most well-known and successful brands. We provide advanced innovative product design excellence and breakthrough material technologies in plastics, adhesives and metals—all delivered by the best engineering minds in the business. Ultimately, Jabil diecut production methods bring highly differentiated products using precision manufacturing to market faster and more efficiently. Our people drive success for customers in multiple market segments, including mobile Internet, healthcare, clean technology and others, and we pride ourselves on our dedication to quality, scale, speed and time-to-your-profitability.

Jabil has manufacturing locations in over 20 countries worldwide

## DieCut Functional Mechanical Components

# JABIL

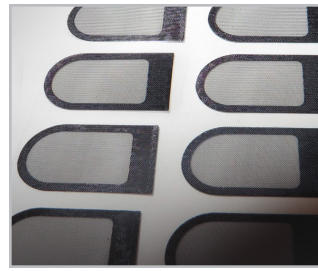

### 1 :: Bonding Adhesives

- General Permanent Bonding-PSAs
- Low Surface Energy Bonding-PSAs
- Removable PSAs
- Differential PSAs
- Thermoplastic Adhesive Films
- Thermoset Adhesive Films

### 5 :: EMI/RF and Electrical

- EMI/RF Shielding/Absorbing
- Conductive Tapes/Foams
- Anisotropic Tapes, Z direction only
- Isotropic Tapes, X, Y and Z direction

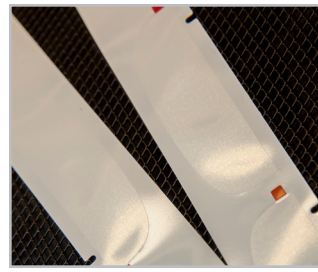

### 2 :: Acoustic Meshes

- Particulate Filtration
- Acoustic Dampening
- Water Protection
- Standard PET or Hydrophobic Coatings
- Aesthetic Grill Covers

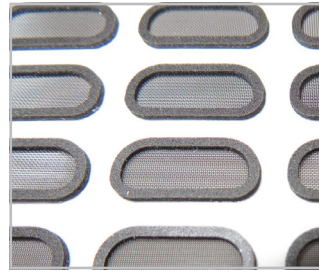

### 6 :: Thermal Management

- Thermal Movement (Z)
- Thermal spreading (X,Y)
- Graphite
- Al or CU Foils
- Hybrid Technologies
- TIM Pads

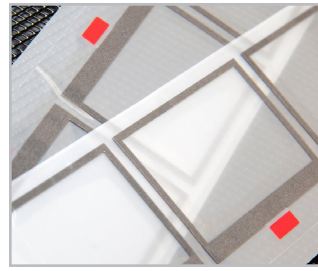

### 3 :: Surface Protection Films

- Display Window Protection
- Finished Surface Protection
- Metal Surface Protection
- Placement Liners

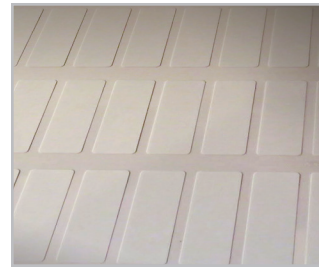

### 7 :: Dual Functionality

- Gasket/Mesh Combo
- Printed Protection Film
- Conductive Gaskets
- Printed Gaskets
- Copper Foil and Foam Combination Gaskets

### 4 :: Gaskets

- LCD/Display Seals
- Camera/Flash Seals
- Speaker/Receiver Seals
- Microphone Seals
- Shock Absorption Gaskets
- Pressure Assist Gaskets

### 8 :: Misc. Applications

- Water Indication Labels
- Branding Labels
- Barcode Labels
- Packaging Labels
- Battery Compartment Labels
- Internal Mfg Process Tapes

## Why Jabil for your Diecut Solutions?

For decades, we have been solving complex problems for customers around the world with a proven track record of innovation and reliable execution. Our teams include top engineering talent from around the world who lead forward-thinking teams. Jabil entrepreneurial teams bring customers fresh ideas and best practices. In addition, our world-class teams develop and work with the most advanced diecutting technologies and materials in the industry.
