

DIE-CUTTING SOLUTIONS

ENGINEERED FOR YOUR
SUCCESS

GREEN POINT
A JABIL COMPANY

Jabil's Die-Cutting Solutions team solves complex technology issues for some of the world's most well known and successful brands. We provide innovative product design and breakthrough material technologies in plastics, adhesives and metals.

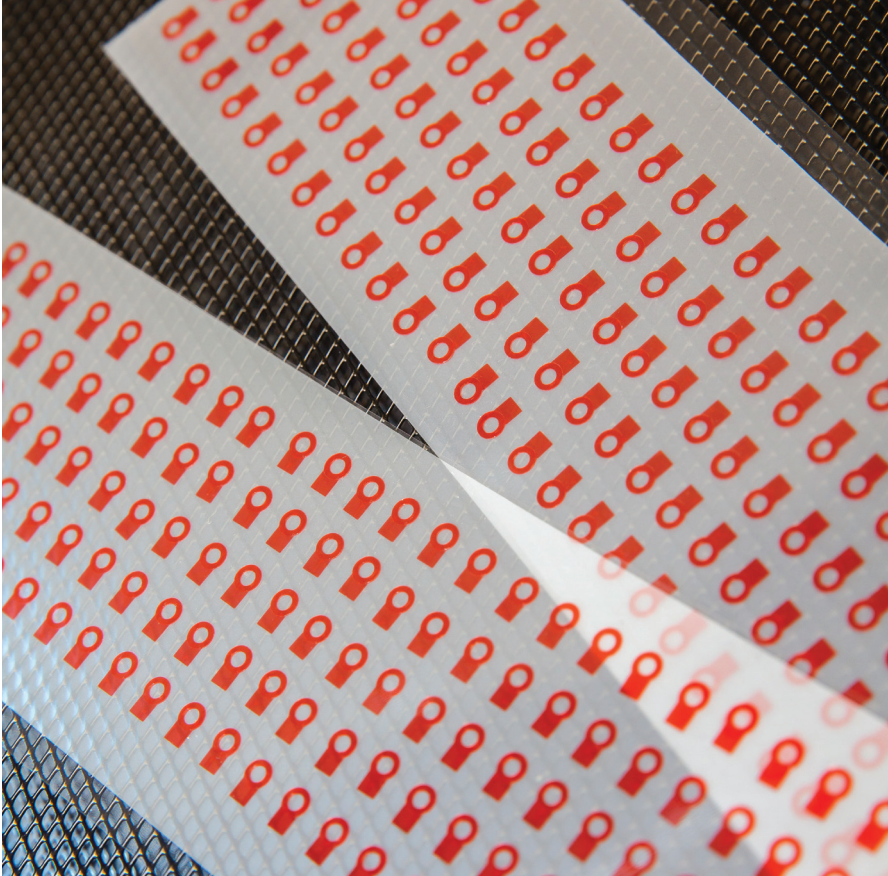

Jabil's die-cutting production methods bring highly differentiated products to market faster and more efficiently by using precision and automated manufacturing processes.

World-Class Engineering

Jabil's Die-Cutting Solutions team offers world class precision die-cut components manufactured to your specification and tolerance requirements.

PROVIDING INNOVATIVE
SOLUTIONS USING
BREAKTHROUGH
MATERIALS AND
TECHNOLOGIES

Die-Cutting Solutions

Die-Cutting Product Groups

Acoustic Mesh

- Particulate Filtration
- Acoustic Filtration
- Water Protection
- Acoustic Dampening

Gaskets

- LCD/Display Seals
- Camera/Flash Seals
- Microphone Seals
- Shock Absorption Gaskets
- Pressure Assist Gaskets

Bonding Adhesives

- General Permanent Bonding
- Low Surface Energy Bonding
- Differential Pressure Sensitive Adhesives
- Removable Pressure Sensitive Adhesives
- Thermoset Adhesive Films
- Thermoplastic Adhesive Films

Dual Functionality

- Gasket/Mesh Combo
- Printed Protection Film
- Conductive Gaskets
- Printed Gaskets
- Copper Foil & Foam Combination Gaskets

EMI/Electrical

- Electromagnetic Interference Absorbing / Shielding
- Anisotropic Tapes, Z direction only
- Conductive Tapes/Foams
- Isotropic Tapes, Z, Y and Z direction

Surface Protection Film

- Display Window Protection
- Finished Surface Protection
- Metal Surface Protection
- Mfg/Process Films
- Placement Liners

Thermal Management

- Thermal Movement
- Thermal Spreading
- Graphite
- Copper or Aluminum Foils
- Hybrid Technologies

Misc. Applications

- Water indication Labels
- Branding Labels
- Barcode Labels
- Packaging Labels
- Internal Mfg Process Tapes

Market Segments

- Automotive • Consumer Electronics • Energy • Medical

About Jabil

Jabil's unique combination of global expertise, ingenuity, analytics and financial performance has contributed to the success of the world's most well-known brands. We help companies design, build and take their products to market quickly, affordably and efficiently. But more than that, Jabil helps customers intelligently design their supply chains to be agile, economical and effective even in uncertain times.

We provide supply chain services to some of the world's most respected and trusted brands in a broad range of industries, including defense, aerospace, automotive, clean technology, computing, consumer, industrial, instrumentation, healthcare, networking, peripherals, storage and telecommunications.
