A JABIL COMPANY

Located in Taichung Taiwan, Jabil Green Point Plastic specializes in the development and production of cutting-edge plastic and molding technology, delivering material solutions to our customers worldwide.

To thrive in an ever-changing industry and market place, we are always advancing and expanding our capabilities to stand by the needs of our customers.

Leveraging our innovative technologies, extensive expertise and creative solutions, we are most passionate about helping customers in realizing innovation ideas to deliver both fascinating and high-quality products to consumers, which stand out in the market.

We are your reliable partner who takes operation and manufacturing responsibility for our customers' products and work hard to satisfy our customers' needs.

## JABIL GREEN POINT PLASTIC

The team who is willing to be the change you want to see in the world.

## Green Point Capabilities

Offering extensive capabilities to our customers, Green Point's capabilities range from tooling technology to manufacturing and supply chain management. We help our customer's design, build and bring innovative products to the market faster, more efficiently and with greater affordability.

For decades, Green Point has been providing advanced innovative product design and breakthrough materials technology to some of the world's most well-known and successful brands. Our world-class engineering team has produced high volumes for a broad range of industries.

### Industries

- Consumer Lifestyles & Wearable Tech
- Emerging Growth
- Mobility

If you're a company looking to achieve rapid growth and create some real disruption in your market, Green Point is your trusted partner of choice.

## Plastic Capabilities

- **Molding**
  - LSR Injection Molding
  - Insert Molding
  - Thin-Wall Injection Molding
  - Double-Shot Injection Molding
  - In-Mold Decoration
  - In-Mold Label
  - In-Mold De-Gate
  - Injection Compression Molding
- **Assembly Process**
  - Heat Staking
  - Hot Welding
  - Ultrasonic Welding
  - Gluing Process
  - Silk Screen Printing
  - Film Printing
  - Pad Printing
  - Laser Selective Plating (LSP)
  - Laser Engraving
  - CNC
- **SMT/FATP**
- **Commitment to High Quality**
  - Certificates and Registrations
    - ISO 9001:2008
    - ISO 14001
    - OHSAS18001
    - Regulatory Certificates: TUV
    - ISO50001

## About Jabil

Jabil's unique combination of global expertise, ingenuity, analytics and financial performance has contributed to the success of the world's most well known brands. We help companies design, build and take their products to market quickly, affordably and efficiently. But more than that, Jabil helps customers intelligently design their supply chains to be agile, economical and effective even in uncertain times.

We provide supply chain services to some of the world's most respected and trusted brands in a broad range of industries, including defense, aerospace, automotive, clean technology, computing, consumer, industrial, instrumentation, healthcare, networking, peripherals, storage and telecommunications.
