

QUALITY POLICY

Jabil will consistently deliver valued solutions that surpass customer expectations.

We establish and maintain a robust and effective quality management system, ensuring compliance with applicable standards as well as regulatory and customer requirements.

This is achieved through empowered employees, passionate leadership, and a drive for continuous improvement.

Our commitment to quality enables us to deliver extraordinary results for our customers and creates long-term value for our shareholders, giving us a distinct market advantage.

A handwritten signature in black ink, reading "Kenny Wilson".
